

KOVHUTĚ PŘÍBRAM NÁSTUPNICKÁ, a.s.

category	commodity	product	application	target customer
soft solders	pressed solders	wires	big parts soldering machine soldering	electrical engineering bulbs production
		cored wires	hand soldering electronic equipment repairation printer circuit boards repairation	electronics and microelectronics manufact. plant, service, jewellery manufacturing electronics and microelectronics
			flame hand soldering	jewellery manufacturing
			bars	PCB wave soldering
		cable tin-plating		cables, automotive
		PCB tin-plating		PCB production
		cast solders	bars	PCB wave soldering
	cable tin-plating			cables, automotive
	plumbing works			plumbing
	ammunition	hunting shots		see catalogue
air gun pellets		see catalogue	hunting stores, sport clubs	
Pb, Sn semi-products	Pb semi-products	sheets and foils	protection against radiation	nuclear industry X-ray, CT scanners manufacturing hospitals, construction industry
			roofing insolation (wetness, Radon)	construction industry
		tubes	chemically resistant pipes	chemical industry
		bricks	protection against radiation	nuclear industry X-ray manufacturing
	Sn semi-products	sheets	anodes for electroplating	electroplating food equipment manufacturing
		foils	ammunition	munition production
alloys	bearing metals (babbits)		bearings	turbines and mills manufacturing and repairation heavy engineering train units repairation
