# Corporate Social Responsibility (CSR)

## Emphasis on:

- staff care
- ecology – environmental management
- quality
- correct business relations, partnership

**We believe that friendliness to people and the environment is worth complying with.**

# The mission of the company

We provide environmental-friendly services with

- > lead wastes
- > precious metal wastes
- > e-scrap (WEEE)

with the best available recycling technologies.

We are a traditional and trustworthy supplier of products and alloys based on lead, tin and precious metals.

Our goal is to achieve the leading position as a regional employer.
